## • 2021 FRIENDS DRIVE •

Dearest Friends,

Another year has come and gone, and although many are happy to see 2020 end, there was a lot of good that came out of it. A lot of us were able to reconnect with our family, spend quality time with each other in nature and outdoors, played with our dogs more, and probably developed a new hobby.

At camp, we were able to offer a summer program to all of the campers who were interested in a summer of fun. Although the program was different, and some new policies were implemented, we had an amazing summer without incident. We served 634 summer campers, over 200 day campers, gave necessary scholarships, and brought back the fun of summer. However, we were unable to raise the necessary funds to upgrade our public announcement system.

Therefore, we are asking that you help us reach our goal of \$50,000 so we can fulfill campership requests and raise enough money to complete our project for the safety and fluidity of our camp program. The new PA system will allow us to make announcements for skill rotations, relay important information about weather emergencies, and other general use opportunities.

By the end of the first week of our registration, we were at 90% capacity for the summer of 2021. We anticipate a full summer and the need for campership money. As always fulfilling our camperships is the number one priority of any money raised through the Friends Drive. Edwards YMCA Camp is 501c3 charitable organization and therefore your contribution is tax deductible.

Thank you for your consideration,  
Camp Edwards

## EDWARDS YMCA CAMP

## 2021 FRIENDS DRIVE

Camp Edwards' Friends Drive directly benefits those campers who need financial assistance to afford the camp experience. As a general rule, it is our intention that participants in the campership program contribute to their own camp tuition up to what they feel they can give. Financial assistance is offered based on the families most recent tax return and other family demographics, compared to a financial sliding scale set forth by the YMCA of the USA.
